Notes: Road Construction Materials Special Permits expire at Midnight, one year after the date issued and as recorded on the Vehicle Permit certificate. In accepting this permit, the applicant agrees that he accepts all responsibility for any personal injury or property damage caused by the movements under this permit for any and all reasons. The applicant further agrees to remove any and all mud carried onto the highway as frequently as necessary to accommodate the traveling public.

A vehicle or combination of vehicles operating under this permit*:

- (1) may only be operated on paved or unpaved streets and highways, other than interstate highways;
- (2) must comply with the requirements and restrictions in section [169.865, subdivision 3](#), paragraph (a), clauses (1) to (3), (5), (7), and (8); and
- (3) must be operated in compliance with truck route requirements and vehicle weight restrictions, as established under section [169.87, subdivision 1](#), by a local road authority or the commissioner.

* See MN Statute 169.869 Road Construction Materials Special Permit for comprehensive information, requirements, and restrictions.
