Important Notice:

If you choose to get medical care from a provider that is not the closest provider capable of providing the care you need, you may have to pay for your own transportation costs. This includes emergencies when you can get the services needed at a closer location.

Provider waiver forms are required for services beyond your closest provider. Recipients on a Managed Care Health Plan will not need a provider waiver form unless they are attending an appointment beyond the 30 (*one way*) mile limit for Primary Care Providers or 60 (*one way*) mile limit for Specialty Providers.

Provider waiver forms are required for appointments exceeding 60 miles round trip.

***Provider Waiver forms are required** for clients who suffer from an anxiety disorder which renders them unable to drive within large cities (St. Paul, Minneapolis, Rochester, etc.).
